LEWIS A. SALANDER  
ADMINISTRATIVE ASSISTANT

OFFICE OF  
GILBERT G. GODNICK  
MAYOR

RUTLAND, VERMONT 05701

To the Citizens of the City of Rutland:

It's a great pleasure for me, as Mayor, to dedicate this year's City Report to Thomas K. Egan --- he is "Tom" to everybody, known far and wide.

Although a native New Yorker, Tom has lived in Rutland for 22 years. His great interest in his new found home never ceases. His dedication and devotion to Rutland, plus his fierce energy takes a great measure of his time with City affairs. Amongst his many endeavors, during the Bicentennial celebration, was his most successful "LOVE '76" program. This project was heralded not only in Vermont, but nationwide. Its originality and unusually large citizenry participation made this the greatest City-wide event in Rutland's history. This program encompassed people from every walk of life and all the professions. His organizational ability, his Irish wit and general demeanor make any undertaking by Tom a success.

Tom is a dedicated family man, a very successful businessman, held in high esteem by those in his profession, and has earned the respect of countless thousands.

"Mr. Rutland" is a fitting title for this uncommon man.

I know that Rutland's future will continue to have Tom's interest and I wish him and his family God's great blessings.

Sincerely,

*Gilbert G. Godnick*

Gilbert G. Godnick  
Mayor

### *Mayor's Message*

To the Citizens of the City of Rutland:

As Mayor I would state that this past year has been a trying one for your City government operation. Inflation has not eased much and unemployment continues at a high rate. Nearly every item that we buy for the various departments has increased in cost, but we maintained our purchases to essentials and held fast to our budget. There are many fixed expenses over which we have no control. We operated in the black and actually wound up with a small surplus.

After many meetings, deliberations and careful screenings with all Department Heads our tax rate of \$8.40 for Fiscal Year 1976 - 1977 was the lowest possible figure we could establish. Considering the overall picture I am pleased that only a 5 cent increase was necessary. Revenue Sharing was again used extensively to hold the tax rate down.

The Mayor's office, the Downtown Development Corporation and other interested parties have been striving to procure a tenant for the ECONOMY STORE. This has been and is priority #1 and is uppermost in our efforts, not forgetting other vacancies. The Fishman Store has been rented which is a big plus for our Central Business District.

The Downtown Development Corporation has been very active in various aspects of the Central Business District. They are to be

congratulated on securing Federal and State funding for the exterior rehabilitation of historic and/or public buildings, this in concert with the Bicentennial celebration, in designated downtown areas. Funding was also received for a two year trial period bus transportation system. Grants for both of these amounts are about one-half million dollars and will be a great boon to our local economy helping greatly in purchasing materials locally, of all kinds and the unemployment situation.

Definite headway is being made on these projects with finalization and operations within the next 30 to 60 days.

On June 17th I had a meeting with William Ahern, Lawyer, representing the Shopping Plaza interests and Richard Norton, our City Attorney. We were told that K-Mart is ready to sign a lease and open for business in Rutland, but they want some changes affected regarding the parking situation. I have had many complaints from the Plaza representatives in the past pointing out that most of the prime parking areas were filled long before the stores opened. The potential shoppers therefore could not be accommodated.

The larger proportion of the Plaza land belongs to the Shopping Plaza operators and a part belongs to the City, which was leased to them prior to the construction of the Shopping Center.

Mr. Ahern insisted that the City must show good faith in correcting the parking problem by passing an Ordinance and amend the lease which would give the City control and patrol of the whole area and enforce a 3-hour parking limit. At the rear of the stores, including a large area to the south, there is ample parking for longer periods where cars will not be ticketed.

It certainly is Rutland's advantage to have a quality tenant who would draw traffic to our Central Business District.

As Mayor, I am every ready to do anything, within reason, to help fill any of our vacant stores. Mr. Norton drew up the Ordinance which was perused by the Charter and Ordinance Committee and then referred to the full Board of Aldermen. The Amended Lease was also formulated.

On June 21st this new Ordinance was presented to the full Board and passed unanimously.

This will pave the way for K-Mart to open in Rutland, possibly in about 30 days.

I want to compliment our City Attorney, Charter and Ordinance Committee and Board of Aldermen for their prompt action in this situation.

On May 1st I established a Capital Improvement Steering Committee, which will involve itself in formulating a five year finance plan for public facilities and equipment for both the Rutland general government and Public School System. This committee, composed of Roger Pike, Howard Shortsleeve, Jr., Peter Goshgarian, Paul Bienvenu, Clifford Barnes, Carl Spangler, John Veller, William Wright, J. Theodore Cacioppi, Thomas Chesley and the Mayor will look into all

possibilities for a uniform overall City plan.

Work is in progress in building a new pipeline on Route 7, south, so that sufficient water flow to the new G. E. plant will be available. Rutland Town is paying the entire cost.

On February 13th Ted Cacioppi hand delivered applications to HUD in Manchester, New Hampshire looking towards grants for 1976 funding of 8 projects in our City. The Community Development Act of 1974, after reviewing our applications last year, passed us by. But we are trying again and hopefully we may be fortunate in receiving some funds for at least some of our projects.

On March 22nd we were informed by the Department of Housing and Urban Development that our application for funds were reviewed and we were asked to submit further applications on several of our proposed projects that scored high enough for further consideration. These applications were developed and made ready for the deadline date.

On June 3rd Ted Cacioppi again went to Manchester to hand deliver these papers for the finalization of these grants. As this goes to press we are awaiting word from the HUD office regarding their determination of funding.

James Crandall, our Zoning and Building Inspector tendered his resignation on March 25th due to illness which was regretfully accepted. We wish him the best of luck in his retirement.

Laurent A. LaMontagne was elected to the post of Building Inspector as well as Zoning Administrator and we wish him a successful tenure in office.

On April 1st our esteemed Fire Chief "Jake" Koltonski resigned. This outstanding public servant will long be remembered for his dedication and devotion, to our City for so many years. I was pleased to name him Honorary Chief for life. Richard Barron, Assistant Chief, was nominated and elected as the new Chief. He has a short term contract, which is subject to review within a year.

On February 19th I attended a meeting in Montpelier of the Vermont League of Cities and Towns of which I am Vice President. Various matters were discussed that are beneficial to all of us. Governor Salmon was the main speaker, introduced by your Mayor.

Extreme sadness overcame Rutland by the most unfortunate and untimely passing of Monsignor Thomas Connor.

His outstanding qualities and compassion for all left an indelible mark that will linger forever.

To do honor to this unusual man we have re-named Meadow Street Playground — "The Monsignor Connor Memorial Park". My office, without any fanfare, raised sufficient money from interested citizens who were anxious to donate sizeable amounts for a suitable memorial. We will build a dignified approach to this sports complex that will be a lasting monument to this uncommon individual.

On July 21st the contract for construction was awarded to Joe

Giancola. The aesthetic compliments will be put in place by Myles Pratico. The Ambrosini Brothers are processing and sculpturing a marble commemorative for the centerpiece. Several benches will add to the park-like atmosphere.

At the Monsignor Connor Recreation Park we now have in operation two softball fields, two basketball courts and two tennis courts. Other play areas are under planning and development which will enhance the overall area.

The City lot on the corner of River and Meadow Streets is in the process of being finalized for a Mini-Park for our younger children. This will be similar to the Madison Street play area.

On January 20th I met in Montpelier with Legislators regarding our water shed in Mendon. I furthered a new Bill to safeguard our water supply and some definitive changes in Act 250 for the future protection of Rutland water supply which is so vital to our people.

In early February I again was in Montpelier attending a State meeting of the Office on Aging of which I am a member. Everybody knows how keenly interested I am in our Senior Citizens and I am ever ready at all times anxious to do whatever possible to help this segment of our citizenry.

We are moving forward with definite plans for our Senior Citizens building on Woodstock Avenue, Deer and Temple Streets -- City owned land. Hopefully, we should break ground before long, with actual construction taking place and a long dream becoming realized. Bids from prospective builders were received on August 5.

On February 4th, I again went to Montpelier relative to the Police Academy in Pittsford that the Administration wanted to close. I contacted a great many interested people throughout our State whose views and mine were alike. We were able to stall off the closing and hopefully this issue is laid to rest. It would be a great mis-carriage of justice to close this substantial building. It is located perfectly where training police and firemen and other programs receive up-to-date instructional methods for today's important operations. Rutland has, and will continue to take advantage of, the opportunities offered and it is important for this facility to keep operating for the benefit of all Vermont.

We are still in the process of exploring a solution of our Landfill. Whitman and Howard, Boston engineers, did a comprehensive study and plan. These recommendations called for several changes in our operation whereby we will be able to increase the life and use of our Landfill and at the same time lessen our high cost of operation. We are plagued with a tremendous amount of auto tires, a solution for which is most difficult.

The Board of Aldermen created a new Ordinance setting forth new charges for refuse and tires brought to our Landfill. After many meetings and discussions by all interested parties, the Ordinance was passed on June 7th. After publication the Ordinance will take effect 21

days later. Hopefully, this new regulation will be beneficial to the operation of our Landfill and our City.

On January 22nd I made a special trip to Washington with other officials from New England in behalf of Revenue Sharing funds. The present funding act expires December 30th next.

We met with our Senators and Congressmen and others and discussed our concerns for the continuance of Revenue Sharing. I particularly stressed the importance of this funding and the formula that now exists. Rutland would be extremely hard pressed without these funds and we would be in trouble as well with drastic changes in the formula which would curtail or change our allocation, which would benefit the larger cities across our country.

The complete rehabilitation of the entire main floor at City Hall was finally completed and now houses the Police Department. This area is beautifully decorated, lighted and furnished and the entire facility is as new as tomorrow. Individual offices for the Chief, Captain and others are businesslike and attractive. Our Police Department will operate more efficiently in these spacious surroundings which will be sufficient for many years. The funding for this entire project came from Revenue Sharing.

On January 19th the Police Department Management Study was presented to the Board of Aldermen. This comprehensive report contained some hundred pages that covered all facets of our Police Department. Many changes were recommended for a more efficient and modern operation. At the Board meeting on February 9th, a motion was carried that the full Board peruse the various recommendations for an indepth study and implementation.

As of now, a few changes have been made and as we progress I am hopeful that the complete implementation of the recommendations will be effected. The major cost of this Study was financed by the United States Department of Justice and authorized by the Governor's Commission on the Administration of Justice. This study was conducted by Dennis M. Crowley, Jr., Project Director of the New England Bureau for Criminal Justice Services, whose reputation is superb. Mr. Crowley will continue to advise and assist our Board of Aldermen in finalizing the changes.

On Friday, February 20th, I again went to Montpelier, this time with Tom Chesley, our School Superintendent, and others, to discuss the disproportionate funding for out-of-City students that attend our Vocational School. It seems incredible that our City is forced by poor management by our State to be charged for expenses for out of town sending students. This Fiscal Year Rutland's forced cost is \$50,000.. In years previously the dollar figure was continually graduated upward. But as we look to the future it will certainly increase greatly. We are glad to be able to take care of out-of-City students but Rutland cannot afford to pay their tuition. Montpelier must, of necessity, change their methods of allocations and re-align those sending towns with the

necessary funds for their students. We are pressing for a correction of this iniquity.

We since have been advised that our contentions firmly established that our claim is justified. The State Education Department and sending towns will realign their funding allocations so that Rutland will be compensated properly in the future.

Last February we had some unpleasant notoriety regarding our water supply.

Our drinking water is tested every day and has consistently been certified by our State Board of Health.

It's incredible that some puny outfit staffed by people without the proper background and credentials would have the audacity to publicize and condemn our drinking water as unfit for use.

These people as far as we know did not come to Rutland or take any samples of our water. The information in their report was taken from a 1970 - 1973 study. On one day, during that time after a severe summer rain storm, our water did show that it was not up to standard. This condition was promptly rectified and it goes without saying that this situation could happen to any City under similar circumstances.

Since that time no samples of our drinking water tested were above Federal or State standards which means that our drinking water is satisfactory.

Reservoirs being what they are, do get some foreign matter which is uncontrollable but this condition prevails throughout our country.

We in Rutland have the necessary facilities to purify and chlorinate our drinking water. Our Department of Water Works continuously have their attention geared to our drinking water so that it will be entirely satisfactory and healthy for consumption.

Rutland had lots of winter this past year and our Department of Public Works did a good job clearing the snow, salting and sanding our many streets and areas. We were plagued with much icy weather and quickly used up \$50,000. worth of salt. We had to fund another \$20,000. in February which, we hoped would be sufficient. The very cold weather created many potholes and cracks on many streets and these were filled as quickly as possible, if only temporarily, during the cold weather. Of course, with warmer weather these conditions will be treated differently.

We are hopeful of securing Federal and State funding for several street projects in different parts of Rutland. We have already made applications through the Urban Highway Projects of the State Department of Highways, and while it will take several years for completion, planning and preliminary engineering must begin early.

We are continually furthering our efforts along all avenues of outside funding.

With meetings on June 11 and 14 regarding the Bicentennial Train Stop in Rutland, I am glad to report that we were successful in having the designated stop area moved to a more desirable location. A

platform and small building will be constructed to emulate a Railroad Depot. It took some doing but we were able to convince Stearns Jenkins, President of the Bicentennial Railroad, that Rutland was entitled to something better than a black-strip along the tracks and a mural.

About 50 public spirited citizens, after regular business hours, worked on the Mini-Railroad Station building and they are to be congratulated for their fine cooperative effort. This building was completed by July 1st when the first Bicentennial Train arrived in Rutland. The location and the overall area really looks good.

The Downtown Development Corporation was in charge of the project with the funds allocated by the Bicentennial Railroad Committee.

I am delighted to report that on August 13 we received a verbal tentative approval from the Agency of Environmental Conservation and the Bureau of Outdoor Recreation for the building of the skating rink at Pine Hill. On August 16, we received a written report and everything is go. We are requested to exclude the tennis courts. We are going forward with the Rutland House Construction Company who was the low bidder for this facility.

The Board of Aldermen previously voted their approval for the building of this structure and the Finance Committee met and approved the expenditure.

We were most fortunate in securing the funding of \$375,000 for this project. The allocation is proportioned: Federal, 50 %, \$187,500; State, 35 %, \$131,250; which makes Rutland's 15 % share \$56,250.

The skating rink will fill a great need for our citizens of all ages, including our senior citizens, as well as special programs for the handicapped.

It took a lot of doing to get this skating facility and I want to thank all those who were part of this procedure including the Recreation Department and, in particular, Ted Cacioppi for his comprehensive survey—which was conclusive.

Our thanks to Senators Bob Stafford and Pat Leahy for their help in overriding the Federal Public Works Bill. Ted Cacioppi is getting our planning and paperwork together for preparations of applications. Hopefully, we will get Federal Funding for some necessary City work programs, as well as helping our unemployment situation.

My thanks to all our City employees for a job well done.

I am grateful to all Department Heads for their devotion to City problems.

My special thanks to the President and the Board of Aldermen for their understanding and cooperation.

My compliments to Lew Salander for his assistance and continuing efforts in the operation of my office.

Respectfully,  
GILBERT G. GODNICK  
Mayor

**LETTER OF TRANSMITTAL**  
**FISCAL YEAR 1976 - 1977 CITY BUDGET**

Honorable Board of Aldermen  
 City of Rutland, Vermont

Gentlemen and Mrs. Stearns:

As per the requirements of Section 83 of the Charter of the City of Rutland, I herewith submit the budgets for the various departments for the ensuing Fiscal Year, 1 July 1976 to and including 30 June 1977.

I spent a considerable amount of time on the attached budgets and every department's needs were screened more carefully than ever before. All department heads were consulted on every item.

All their expenses were kept at necessities only; but you and I know that a great many essentials that the City buys and other legitimate items are fixed expenditures over which we have no control.

Inflation is still with us. That makes for additional costs.

We must maintain to the best of our ability the best possible services for our citizens.

Please note there is a 4% wage increase for City employees. However, the issue of wages and benefits for employees represented by the unions remain subject to collective bargaining.

Our Blue Cross/Blue Shield insurance that covers our employees, and is wholly paid by the City, has increased by eighteen percent (18%).

This is a tremendous increase and with our insurance costs soaring, may I suggest that a special committee be set up and review our programs and look for insurance coverage elsewhere. Many of the big insurance companies are offering various insurance plans that are utilized by many large employee groups. We need to carefully look into this important matter as quickly as possible, invite proposals and study the situation.

I also want to draw your attention to our pension plan and longevity program, both of which have again increased as they do every year. The latter two items have a very definite bearing on the cost of government and these costs will continue to increase our operational expenditures.

In light of the circumstances outlined, it therefore becomes necessary to increase our tax rate. It is most regrettable that this must be affected; but we have no alternative.

I would suggest that our Board of Aldermen become more involved and work with, the Downtown Development Corporation. In this connection I particularly draw your attention to our central business district and the vacant stores. As you know, our revenues have

decreased in this area by less personal and property taxes. It behooves us all to actively work together so that our taxable properties can be maintained and/or increased.

The attached is duplicated from last year's Transmittal Letter so that you will have the facts before you, relative to the following.

At the outset, I must tell you that the City of Rutland is already committed to meet the second installment of \$28,125., due July 1st. This arrangement was worked out in Montpelier last year by the writer, on a 2-year payment plan. This arrangement was never before accepted by BOR but in explaining our position they said they would go along with us.

May I add, too, that the \$375,000. allocated Rutland were funds that would have gone to other cities and towns if they were not being held for Rutland, therefore depriving others with this money.

Deducting Rutland's share of \$56,250., we will actually be receiving \$318,750.

It is therefore most imperative that the City of Rutland honor their commitment for this necessary project and I am prompted to advise you, should we, for some reason whatever, renege on our commitment to BOR, it will be years in the future before they would entertain any participation from the City of Rutland. These funds cannot be extended for any other period and must be finalized by July 1st next, the due date.

As a matter of fact, two ball fields are already built, plus driveway and parking area. The skating rink, etc., proposed, are only part of a 5-year rehabilitation program of Pine Hill. Over the years, with outside funding the whole area will give Rutland a most comprehensive recreation and playland facility for our citizens, of all ages.

With the completion of the skating rink and preparation for tennis courts, there will be toilets, phones and First Aid rooms that can be utilized by those who use the ball fields. At some future time we hope to install some showers.

We do not now, nor in the immediate future, anticipate installing refrigeration for the rink, relying only on hosing.

I hope that the above explanation will clear the way for our compliance.

GILBERT G. GODNICK  
 Mayor of Rutland City

# RECOMMENDED CONTINGENCY APPROPRIATION FROM REVENUE SHARING

## CITY OF RUTLAND - REVENUE SHARING 1976-1977

The Committee recommends the following contingency appropriation of \$120,000.00, dependent upon the continuation of Revenue Sharing Funds by the Federal Government, under the same level of funding, guidelines, and regulations. It further recommends, that any change in the level of funding, guidelines, and regulations shall make this contingency appropriation null and void. However, the committee should be empowered to meet, review any new regulations and guidelines, and submit revised recommendations for the disposal of the available Revenue Sharing Funds for the last quarterly fiscal period.

*City Planner*

To The Honorable City Council and  
Citizens of Rutland:

I hereby submit the annual report of the activities of this office for the fiscal year ending June 30, 1976. This is the initial report from this office for the office was created on July 21, 1975. It is staffed by the City Planning Coordinator, J. T. Cacioppi, and secretary, Rosemary Finley.

**Activities:****Project Administration:**

Project management of the Police Management Study.

Coordinated completion of personnel study conducted by Vermont League of Cities and Towns.

**Studies:**

Community Housing Study - This study is an integral part of the Regional Housing Study. This study resulted in an allocation and construction of a 40 unit housing complex located at Mahoney Drive.

State of Vermont Correctional Center/Office Complex Study - This study was conducted at the request of State officials and area Legislators. It played a part in the decision of the State to option land in the Central Business District for the construction of a State Office Complex and, hopefully, it will culminate in the construction of a new Correctional Center in Rutland.

Pine Hill Recreation Study - This study was conducted to justify the need and feasibility of constructing a Pine Hill Ice Skating Recreational Complex. This culminated in the final approval of the construction of this facility.

**Grant Preparation and Programming:**

Preparation of the grant proposal and program administration of the Southwest Neighborhood Improvement Grant. This grant will result in neighborhood improvements involving housing improvements; street, sidewalk, curb and landscaping improvements, a recreation improvement to Msgr. Connor Park and the building of a mini-park in

the neighborhood. The grant applied for \$300,000. It is anticipated that this grant will be funded.

#### **On-going Activities:**

##### **Transportation:**

Membership in the Regional Transit Forum, a study group involved in a regional transit planning program.

Chairman of the Rutland Beltline Task Force. This task force sits as a study group with highway officials to select a Route 7 By-pass route. Task force members represent Rutland City, Rutland Town, Mendon, and the Rutland Regional Planning Commission.

##### **Economic Development:**

Membership on the Rutland Region Chamber of Commerce, Economic Development Sub-committee. This committee involves itself in economic development of the area.

Membership on the Technical Review Committee of the Downtown Restoration Project. This project has been funded and various buildings, including City Hall, will be restored and improved.

##### **Municipal Management:**

Secretary of the newly instituted Capital Improvement Steering Committee. This committee deals with the short and long range financial planning of the City.

##### **Solid Waste:**

Membership on the Rutland Regional Planning Commission Committee on Solid Waste Management. This committee is attempting to address itself with a regional answer to solid waste disposal.

#### **Future Activities:**

Annual Community Development planning, application, and grant submission.

Public Works Bill of 1976 - development of a grant proposal for the City of Rutland which could result in a sizable grant of Federal money to assist the City in projects of improving streets, parking, water, schools and like items.

Economic Development - This office will be involved in the on-going quest for economic improvement in the City.

This office has a daily working relationship with the Rutland Regional Planning Commission. Many projects have been undertaken together and the fruits of these projects will result in Rutland City and Rutland County being a better place to live, work, and play.

I would like to express my gratitude to all who have helped me in my first year as City Planning Coordinator. I would like to particularly thank the Mayor, all Department Heads, the Board of Aldermen, and all commissions for their cooperation, patience, understanding, and courtesy shown to me and this office.

Respectfully submitted,

J. THEODORE CACIOPPI  
Planning Coordinator

## Schools

To the Honorable Board of Aldermen:

During the past year the planned program for the improvement of our physical plant has continued. Within the next year or two, the major renovations should be completed. After this, it is hoped the system will be on a plan for preventive maintenance which will keep our buildings in good repair, and be safe and pleasant buildings for staff and students. The school system wishes to acknowledge with appreciation the action of the Mayor and Board of Aldermen which has made revenue sharing funds available for some of the work.

At the elementary level a major project has been completed in the "old" section of Dana School. New tile floors in all the classrooms and halls, enlarging two classrooms, and interior painting have made great improvements in the building. Mats have been installed in multi-purpose rooms in several elementary schools for greater safety. Necessary roof restorations and replacements are now being completed, after which the system will be on a roof maintenance schedule for future years.

The elementary school program emphasis on skills in the basic subjects has been reinforced with the adoption of the "Bookmark" reading series. This series, selected by teaching staff after much study, is proving to be an effective series. Reading test scores for the elementary schools have been well above the national average, testimony to the commitment of the staff to an effective program of reading instruction. Federal funds, known as "Title I", have continued to finance remedial programs in both reading and mathematics in four of the elementary schools. A new Health Curriculum, prepared by several of the elementary staff, will be implemented in the 1976-77 school year. Curriculum plans for special studies in Vermont History and Geography have also been prepared for introduction during the school year. While it would not be possible to mention all of the individuals and groups who have assisted the system in the elementary grades, special mention should be made of the "Bucket Brigade" program in which several adults have given unselfishly of their time to assist students.

The Junior High School continues to serve many students beyond its designed capacity, a condition which will persist for the next few years. This condition will require the "staggered schedule" to be continued.

The community is indebted to the Junior High School students for the gift of the flag pole and commemorating boulder to mark the Bicentennial Anniversary of our country. This gift will stand as a monument to our 200 years, but of equal importance, as a tribute to the spirit of the Junior High School students.

The Junior High School continues to offer an extensive and varied program of instruction and extra curricular activities. Some programs which deserve mention are the Career Education program, offered in conjunction with the Rutland Regional Chamber of Commerce; several instructional programs have been enriched by trips to Washington (Social Studies), Europe (Foreign Language), and Pennsylvania (Music). The Humanities program, started a few years ago, continues to be a successful Junior High School program. A complete listing would be too extensive for this report.

During the summer important steps were taken at the Junior High School to remove architectural barriers which prevented handicapped students from having easy access to the building. While the school system still has a great deal to do in removing architectural barriers, a good beginning has been made at the Junior and Senior High School.

The Rutland High School building has undergone several large renovation and remodeling projects in recent years. These have included a remodeled auditorium, enlarged library, additional science room, remodeled music room, student rest rooms, and a completely new electricity entry service and a dual voltage transformer. When completed within the next few years, our High School building will be in excellent condition, and hopefully a source of pride to the entire community.

Rutland High School students have the opportunity to select a program from over 100 course offerings, plus vocational offerings in the Junior and Senior year. These offerings are designed to accommodate the varied talents and interests of the students. Students who have taken the Advance Placement Courses have scored very well on the National Tests which are administered. Over the years the percentage of Rutland High School graduates who go on to post-secondary education has run consistently higher than the State average. The High School also offers a wide selection of athletic and other extra curricular programs. Student participation in these programs is quite high.

The Rutland Area Vocational-Technical Center has completed its second full year of operation. The programs offered to the High School students and adults of the area continue to attract growing enrollments. These programs, the many services performed by the Center, and the broad community support which the Center has received are evidence of the ability and spirit of the staff and students at the Center. The appreciation of the community is expressed to the V.I.C.A. Club for its gift to the school of the identification letters which appear on the outside of the building.

Students, under staff direction, have been involved in several area improvement projects. A few representative examples are renovation work at the Rutland City Rescue Mission to enable the facility to meet code requirements, renovation of the Watkins Avenue School classroom to provide office facilities for the Maintenance Department, assistance in the Community Garden project, and the completion of several repair jobs for City Departments.

Students at the Center, through several student organizations, engaged in many service activities during the year. Examples are dances sponsored for the fifth and sixth grades, and Junior and Senior High School students. Four students at the Center, selected through skill competitions with students of other vocational centers, won the honor of representing the school and the State of Vermont at the National VICA Conference in Miami, Florida.

In closing, the School System would like to acknowledge the cooperation and assistance it has received from all City employees and departments.

THOMAS G. CHESLEY  
Superintendent of Schools

HOWARD SHORTSLEEVE, JR.  
President  
Board of School Commissioners

## Health Officer

To the Honorable City Council and  
The Citizens of Rutland, Vermont:

It is the pleasure of your Health Officer to submit herewith the annual report of the Health Department for the fiscal year beginning July 1, 1975 and ending June 30, 1976.

The Health Department is composed of a three man Board of Health, appointed by the Mayor, and a Health Officer, appointed by the State Board of Health.

Through this department is maintained the control of communicable diseases, inspection services for the maintaining of sanitary plumbing facilities, swimming pool and other places of public assemblage.

581 cases of contagious diseases were reported and quarantined during the year as follows:

Strep. Infection .....	322
Chickenpox .....	253
Measles .....	1
German Measles .....	2
Mumps .....	2
Infectious Hepatitis .....	1
Total .....	581

All reported dog and animal bites were investigated and precautionary measures taken. There were no cases of Rabies.

The free annual immunization clinics in the elementary schools were held in November. 127 children were inoculated for immunization against Diphtheria and Tetanus and 223 against Polio, Measles and German Measles. In March a free clinic for 9th and 10th grades picked up 273 children who received Measles shots.

Dr. Beale, ably assisted by Mrs. McCormack, Miss Burke, and Mrs. Plumer, School Nurses, carried out this program.

Also in October free immunization shots for influenza, types A & B, were offered to all City employees. 48 employees availed themselves

of this opportunity. Also 97 Senior Citizens were immunized, in October, courtesy of the City of Rutland.

This department urges all who are eligible to take advantage of these special clinics.

A total of 372 samples of water from the City's taps were sent to the Bureau of Laboratories, Vermont Department of Health in Burlington for analysis. Five samples showed slight evidence of contamination. This department again wishes to thank the Water Department for their excellent control work on the watershed and at the reservoir, especially Mr. Harry Jasmin and Mr. Rolla Jasmin.

Samples of water from the swimming pools were also sent to Burlington during the period the pools were open.

Many nuisance complaints were investigated and appropriate action taken.

As Health Officer I would like to express my appreciation for the courtesy and cooperation that I have received from the Mayor, City Council, City Employees, State Board of Health, School Nurses and the Parents and Physicians of the City of Rutland.

Board of Health:

ROBERT W. BEAUCHAMP, Phg.  
HARRY RYAN, JR., M.D.  
GORDON B. SMITH, M.D.

Respectfully submitted,

CHARLES D. BEALE, D.O.  
Health Officer

## *Milk Inspector*

To the Honorable City Council and the Citizens of Rutland, Vermont:

I hereby submit the annual report of the Milk Inspector for the fiscal year July 1, 1975 to June 30, 1976.

Six hundred and fifteen dollars (\$615.00) was collected in licenses during the year and the money turned over to the City Treasurer whose receipts I hold for that amount.

There were 15 licenses issued at the Rutland Fair, 95 restaurants, groceries, cafes, bakeries, peddlers and 4 creameries were also issued licenses during the year.

All creameries were inspected and approved.

Reports of the laboratory analysis of milk samples taken were accepted and published in the Rutland Herald.

As Milk Inspector I would like to take this opportunity to thank the producers, plant operators and the State Inspector, Mr. George Severance, for their cooperation during the past year.

Respectfully submitted,

CHARLES D. BEALE, D.O.  
Milk Inspector  
City of Rutland, Vt.

## Civil Defense

To the Honorable City Council and  
The Citizens of Rutland:

I respectfully submit to you the Annual Report of the Civil Defense Department for the Fiscal Year ending June 30, 1976.

During the past Fiscal Year the Civil Defense organization was placed on a storm "watches", a total of 11 different times, and on storm "warnings", a total of 5 times. An explanation of a storm "watch" and "warning" is as follows:

- "Watch" - To prepare for a serious storm which is approaching.
- "Warning" - The storm is eminent and that the possibilities of it striking the area is definite.

It has been my pleasure during the past year to appear for speaking engagements before various organizations giving them an insight as to what the Civil Defense organization is and what it is doing for the local community regarding the preparations being made for various contingencies, such as, natural and manmade disasters or emergencies.

The City Civil Defense again manned an exhibit at the Rutland Fair with the cooperation of the Rutland Town and State Civil Defense organizations.

In the Fall of the year when two local youngsters were reported lost in the Mendon area, I was asked by the District III Civil Defense Coordinator to coordinate the search for them from my office. This was done with the cooperation of many volunteers from our area and it ran from approximately 9:30 at night until 7:30 in the morning when the two boys were located and returned to their homes safely.

Various surveys and inspections were conducted in cooperation with the State Civil Defense organization. Among these being a water survey, an Emergency Broadcast System survey, a flood survey, the Package Disaster Hospital inspection and Shelters inspections.

This Department was fortunate in obtaining additional equipment for various City departments; the latest addition being a truck for the

Department of Public Works which is being used every day by this department.

Your Director attended various meetings throughout the year to keep abreast of the changing situations that occur from time to time in the Civil Defense organization. Meetings attended were held in various locations in the State in addition to the Annual Civil Defense Conference in Washington. I also attended Phase I of the Civil Defense Agency course which was conducted at the University of New Hampshire in Durham, together with my Deputy Director, Norman F. Pratt, Jr.

We will be continuing our education by attending Phase II in the Spring of 1977.

The Crossing Guard Program which is administered by this department continues to grow with the addition of another Guard this past year. It is with deep regret that this Program has lost Mr. James Nolan who passed away shortly after the School year ended. This gentleman will be greatly missed by all, especially the children at St. Peter's School crossing where Mr. Nolan worked for many years.

In closing I would like to thank once again all the volunteers in the Civil Defense organization whose untiring efforts helped to maintain a strong Civil Defense Program and to the Crossing Guards for their untiring efforts and cooperation in making the past School year a safe one for all the elementary School children.

Thanks to Mayor Godnick, the City Council, City officials and employees, to Mr. Richard C. Holmes and the State Civil Defense staff and to the local news media for their cooperation and their assistance to me and the organization in helping to make this a successful year.

Respectfully submitted,

ALDO M. MANFREDI  
Director - Civil Defense

## Recreation and Parks

To the Honorable City Council and The Citizens of Rutland:

I hereby submit our Annual Report for fiscal year ending June 30, 1976.

### SENIOR CITIZENS CENTER

#### Programs at Center

Crafts	Macrame	Holiday Celebrations
Bingo	Quilting	Hot Meal Program
Pool	Rug Hooking	International Dinner
Darts	Rug Braiding	New Year's Eve Party
Checkers	Card Parties	Plant Care
Knitting	Ceramics	Jewelry Making
Dancing	Crocheting	Rummage Sale
Chorus	Wreath Making	Craft Sale
Pokeno	Library Services	Copper Enameling
		Astrology

Christmas Dinner Party  
St. Patrick's Day Party

Men's Weekly Activity Day  
St. Valentine Buffet/Dance

#### Recreational Activities Outside the Center

Summer Camp	Governor's Picnic at Killington
Trip to Lake George, N.Y.	Apple Picking
Trip to Weirs Beach, N.H.	Bowling
Gondola Rides at Killington	Kritter Kamp-Wallingford
Ice Follies-Boston	Weston Priory
Baseball Game-Boston	Foliage Tours
Trip to Shelburne Museum	Chairities Fairs at Rutland Mall
Rutland Fair	Picnics-Crystal Beach, Gifford
Community Garden	Woods and Lake Dunmore

#### Heath/Social Services Offered

Monthly Blood Pressure Check	Income Tax Assistance
Breathing Exercises	Information and Referral
Lipreading Classes at VAC	Staff participation with local social service agencies
Annual Flu Shot Clinic	Dental Program
Educational Health Films	

### Participation in Community Affairs

Halloween Float and Parade  
Nursing Home Visits  
Annual Friendship Party  
Annual Fashion Show  
R.S.V.P.  
Political Speakers prior to Elections  
Consumer Information Speakers  
Active Attendance at City Hall Meetings

### Cultural Activities

Crossroads Performances  
Castleton Cultural Arts Center  
Trips to Plays

The Rutland Senior Citizen Craft Shop is an effort to supplement the incomes of the elderly through the marketing of their handicrafts. This is done through periodic craft sales, fairs, bazaars, etc. The completion of the first year of this endeavor showed a return to the participants of over \$1,000.

This past year also saw the introduction of a dental program for the elderly. This is being done with the cooperation of a local dentist and the Gr. Mountain College. Ten Rutland Senior Citizens received extensive dental care which they would personally have been unable to have afforded.

The Senior discount program has grown in the past year from one committed merchant in the Rutland community to fourteen. With the cooperation of the Chamber of Commerce we are anticipating an overwhelming growth during the coming year.

The Senior Citizen van, sponsored by the Department, transports Senior Citizens to and from all the Center activities, on shopping sprees and short distance field trips.

The Senior Citizens Center has recently taken over the supervision of the Friendly Visiting Program in Rutland City from RSVP. The Center has put forth a concerted effort to locate the homebound elderly in Rutland City and provide them with a friendly visitor at least once a week.

### SENIOR CITIZENS CENTER

In July of 1975 the city's application for Federal Community Development funds was rejected due to the fact the city did not meet the three main poverty criteria used to compare municipalities applying for money within States. The decision was reached to build a Senior Center totally with Revenue Sharing Money. With the acquisition of \$175,000 in Revenue Sharing Funds, the long anticipated Senior Citizen Center will no longer be a mere dream. The Center will be located on the property owned by the city between Temple Street and Woodstock Avenue. The structure, which will be constructed to the specific needs and specifications of the elderly, will finally afford the elderly of Rutland an actual multipurpose Center.

**JOHN J. GIORGETTI PARK**

The dedication of what was known as Pine Hill Park to John J. Giorgetti Park was held May 13, 1976. Mayor Godnick read a proclamation expressing the city's appreciation to Mr. Giorgetti for having the foresight to purchase land for the city to expand into a much needed recreational facility.

<b>GIORGETTI PARK SKATING RINK:</b>	Grant: \$187,500
	State: 131,250
	City: 56,250
	<u>\$375,000</u>

The city's share of \$56,250 will provide the city with a complex of a rink, amphitheater, and game area with room for program expansion and beginning of a complete development of Giorgetti Park.

**DR. RALPH H. SEELEY MEMORIAL FUND:**

As of June 30, 1976 the fund totaled \$2,142.04. Donations and entry fees from the Dr. Seeley Memorial Tennis Tournament held annually and entered into the fund for construction of a Tennis Court in Dr. Seeley's Memory.

**SPRING AND SUMMER EVENTS AND PROGRAMS****Playgrounds: Opened June 16 — July 25.**

St. Peters (Meadow)	White Playground	Northwest Playground
Rotary Field	Northeast Playground	Madison St. Mini Park

**Pine Hill Day Camp: July 28 — August 8 at Giorgetti Park****SIXTH ANNUAL PLAYGROUND CARNIVAL**

The Carnival entitled "Country Fair" was held in Main St. Park with booths and games constructed by each individual playground. Proceeds which total \$141.60 were donated to St. Jude's Children's Hospital in Memphis, Tennessee.

**SUMMER ACTIVITIES**

Basketball League, Open Div.	Swimming Pool
Basketball League, High School	Playgrounds
Basketball League, Grades 7-8	Mini Park
Baseball, Mitey Mites (7-9)	Day Camp
Baseball, Midget League (10-12)	Rock Concerts
Baseball, Babe Ruth (13-16)	Band Concerts
Baseball, Jr. League (13-up)	Brown Bag Concerts
Softball, Elem. Boys & Girls	Fishing Derby
Softball, Adult (City & Rec.)	Bike Hikes
Softball, Women	Dog Show
Tennis Tournaments	Golf Lessons
Tennis Lessons, Youth & Adult	Bike Rodeo
Track & Field Events	

**SWIMMING POOL****Lessons in:**

Beginners	Swimmers	Senior Life Saving
Adv. Beginners	Adv. Swimmers	Adult Beginner Lessons
Intermediate I & II	Basic Rescue & Water Safety	Swim Team

**Activities****Discotheque Pool Parties**

Achievement Day — Awarding of cards and pins from lessons.

Water Carnival — Synchronized Swimming.

**FALL AND WINTER PROGRAMS FOR YOUTH (\*New Programs)**

Basketball Leagues - Girls & Boys	Baton Classes & Clinic
Elem. & High School age	Cheerleading Classes & Clinic
Flag Football, Grades 5, 6, 7 & 8	Babysitting Course
*Girls Flag Football	Jr. Stamp Club
Indoor Track Meets	Guitar Lessons
*Boys Soccer	Drama
Jr. Table Tennis Tourney	Arts & Crafts, Elementary
Wrestling Classes	*Junior High School Crafts
Boxing	Bike Hikes
Foul & Set Shooting	Horseback Riding
Kung Fu	Cookouts
Open Gym	Skating Rink
Floor Hockey	Rope Tow
Tumbling	Wreath Making
Record Hops	*Childrens Ski Program, ages 4 & 5
Teen Dances	*Swimming Program at VAC
Teen Cellar w/pool, ping pong, shuffleboard & Juke Box.	*Movies
Halloween Parade	*Clogging
Easter Events	Handicapped Program
	Pre-School

**FALL AND WINTER PROGRAMS FOR ADULTS (\*New Programs)**

Volleyball, Mens, Womens, and Co-Ed.	Dog Obedience lessons
Adult Basketball	Sq. Dance Club & Lessons
Mens Phys. Ed.	Quilting Class
Weight Training	Kung-Fu
Weight Room	Coin Club
Sauna Bath	Stamp Club
Cross Country Skiing	*Clogging
*Swim Program at VAC	Skating Rink
*Rock Climbing	Ski Tow
*Hiking	Womens Slimnastics

**CHRISTMAS EVENTS**

Childrens Christmas Party	High School & College Basketball
Wreath Making	Tourney
Snow Sculpturing	American Jazz & Folk Dance
Discotheque for Jr. High Students	Demonstration
Senior High Dance	Jr. High Basketball Tourney

**TOY PROJECT**

Over 175 families received toy boxes. Our appreciation to all those who so generously gave donations of money or toys, especially the Proctor Elementary students, St. Peters and I.H.M. parishes, the National Grange Demotic Club, Middletown Spring Troop 270 Scouts, Rutland Cub Scout Pack 104, and the Rutland Recreation Department's Square Dance Club.

**MICHAEL COLEMAN AWARD**

Steve Gaiko, Grade 6, of Dana School received the Michael Coleman Award for best exemplifying good sportsmanship in our Flag Football League. The Departments rotating trophy was presented to Steve at a school assembly.

**CLUB AND ORGANIZATIONS UTILIZING REC. FACILITIES**

Rock and Mineral Club, Garden Club, Council on Aging, Rutland Republicans and Democrats, Downtown A.C., Right to Life, Humane Society, International Meditation Society, Chaffee Art Gallery, Art in the Park, RSVP Chorus Group, Public Health Nursing Group, Quahl, Correctional Center and Rutland Mental Health.

**LONG RANGE PLANS**

1. Continued improvement and development of Meadow St. Playground Area.
2. Special Park for Senior Citizens
3. Continued Development of Pine Hill as a Recreation Complex.
4. Lighting of all Municipal Athletic and Recreational Facilities.
5. Senior Center Development

**FISCAL NEEDS FOR THE DEPARTMENT ARE:**

1. Department Park Policeman
2. More Mini-Parks
3. Lighted Fields
4. Fill for White Playground
5. Handball Courts
6. Maint. Garage
7. More Maintenance Equipment
8. Maintenance Personnel

I would again like to thank the Mayor, Board of Aldermen, members and citizens of Rutland for their continued support and encouragement. I would also like to thank my staff, Thomas Chesley and the School Board, Mr. Donald Parker, all the Midget League and Babe Ruth Coaches and other volunteers who so generously donated their effort and time.

Total expenditures for the Department were \$239,694.99

Total receipts were \$11,061.25

Respectfully submitted,

JOHN W. CIOFFREDI, Superintendent  
Recreation & Parks Department

## Fire Protection

To The Honorable City Council and  
The Citizens of Rutland

It is with pleasure, that I submit to you the annual report of the activities of your Fire Department, for the year ending June 30, 1976.

It has been a year that will long be remembered by the People of this City. Chief Alfred H. Koltonski who was an active member of this department for sixty-two years retired. The date of his retirement was April 1st, 1976. This is the first time in fifty-two years, that he has not submitted this report as Head of this Department.

During the course of this memorable year the Department responded to 927 calls. Fire calls accounted for 377 of these, and 550 were Special Service Calls.

The Rescue vehicle responded to 213 of the Special Service calls. A large percentage of these calls were to assist ill or injured persons.

The Aerial Lift answered 128 of these Special Service Calls. Time spent per call averaged 1.5 hours. Most of these calls were for traffic signal work.

There were four general alarms during the year. On October 23rd, 1975 six persons lost their lives in a tragic early morning fire. This was the worst loss of life fire in the history of the Rutland City Fire Department.

The value of buildings and property covered by the Rutland City Fire Department during the fiscal year of 1975 is as follows.

Value of Buildings .....	\$200,000,000
Insured to 80 % of Market Value .....	\$160,000,000
Contents, Stock and Personal Property .....	\$102,000,000
Fire Losses for the fiscal year of 1975.	
(Buildings and Contents) .....	\$ 91,856.70

The above amounts are the best available estimates provided to this department as of this time.

I would like to take this opportunity to thank the Rutland Fire Fighters, Mayor Godnick, the City Council, the Other City Departments and our neighboring Fire Departments for their cooperation and assistance.

Respectfully submitted,

RICHARD M. BARRON  
Chief of Fire Department

The fire calls for the year by the day and the hour are as follows:

Alarms by Day of Week		Alarms by Hours of the Day	
		A.M.	P.M.
Sunday .....	41		
Monday .....	62	12- 1.....	16..... 13
Tuesday .....	59	1- 2.....	9..... 35
Wednesday .....	53	2- 3.....	12..... 20
Thursday .....	61	3- 4.....	12..... 25
Friday .....	44	4- 5.....	4..... 8
Saturday .....	57	5- 6.....	6..... 17
		6- 7.....	4..... 8
		7- 8.....	13..... 21
		8- 9.....	16..... 23
		9-10.....	14..... 22
		10-11.....	16..... 16
		11-12.....	23..... 16

Below is listed the Apparatus in service with the Department.

#### Apparatus

Engine #1 - 1963 - 1000GPM - Maxim Pumper  
 Engine #2 - 1969 - 1000GPM - Maxim Pumper  
 Engine #3 - 1963 - 750GPM - Maxim Quad  
 Engine #4 - 1969 - 750GPM - Maxim Pumper  
 Ladder #1 - 1957 - 85Ft. - Maxim Aerial Truck  
 1966 - Chevrolet Rescue Truck  
 1968 - Ford Pick-up Truck w/15 K.W. Power Plant  
 1968 - GMC Truck, Cargo 2½ ton  
 1971 - Chevrolet Aerial Lift 33 Ft.  
 1972 - Pontiac Sedan  
 1976 - Chevrolet All Purpose Truck 4 wheel drive  
 16 Ft. Boat w/trailer

#### Cost of Operations

##### Personal Service:

Appropriation .....	\$431,256.34
Expended .....	430,785.47
Balance .....	\$ 470.87

##### Current Expenses:

Appropriation .....	\$ 47,870.00
Expended .....	47,668.50
Balance .....	\$ 201.50

##### Capital Outlay:

Appropriation .....	\$ 800.00
Expended .....	665.00
Balance .....	\$ 135.00

## Public Works Dept.

To the Honorable City Council and the Citizens of Rutland:

I hereby submit the annual report of the activities of the Department of Public Works for the fiscal year ending June 30, 1976.

In addition to the work listed below the Department of Public Works responds to citizen complaints on a daily basis. We are on call at all times. Citizens should call the Police Department after regular office hours in the event of emergencies.

### STREETS AND SEWERS DIVISION

Donald Foster, Assistant Superintendent

Donald Santwire, Foreman

James Ward, Foreman

### STREETS:

#### Hot Mix [Bituminous Concrete] Paving Program

6,144 tons of hot mix were placed by our contractor, Frank W. Whitcomb Construction Corporation at a cost of \$94,623.04.

Streets paved (or portions of) were as follows: Bellevue Avenue, Butterfly Avenue, Brentwood Drive, Chaffee Avenue, Charter Hill Drive, Dorr Drive, Exeter Road, Engrem Avenue, Edgerton Street, Emmett Avenue, Easterly Avenue, Freeman Avenue, Forest Street, Grove Street, Grandview Terrace, Granger Street, Hopkins Street, Harrington Avenue, Hazel Street Extension, Irving Heights, Jackson Avenue (from Avenue B to Avenue C), Jackson Heights, Killington Avenue, Killington Terrace, Library Avenue, Nichols Street, Orchard Drive, Phillips Street, Ronaldo Court, Reservoir Road, Stratton Road, State Street, Spellman Terrace, State Street Parking Lot, South Main Street (east side from Curtis Avenue to Allen Street), Sharon Drive, Spruce Street, South Street, Brown Street, Terrill Street, Upland Drive, Victor Place, Williams Street, West Street hill, Woodland Drive, Engrem Avenue, Watkins Avenue.

#### Surface Treatment Program:

18,293 gallons of MC800 and RS3K asphalt at a cost of \$8,396.49, 308 tons of peastone at a cost of \$888.47, 294 tons of grits at a cost of \$1,044.02 were used to seal streets. Streets included in this program were as follows: Victor Place, Coolidge Avenue, Engrem Avenue,

Central Avenue, Campbell Road, Oak Street, Gay Street and Preville Avenue.

### Capital Outlay:

Major equipment items purchased during the year were as follows:

1 Way Plow and Wing	Salt Shed
Asphalt Curb Machine	Jack Hammer
Ride Tractor	Transmission Jack
1 Ton Dump Truck	6 Cubic Yard Dump Truck

### Street and Drainage Projects:

We installed 838 feet of new concrete curbing and 829 feet of new concrete sidewalk, and replaced 193 feet of concrete sidewalk, and 85 feet of concrete curbing. Hot mix curb was installed on Ronaldo Court, Orchard Drive and Lyman Avenue West.

#### Curtis Avenue Storm Drain

732 Feet of 15" Dia. Corrugated (Galvanized) Metal Pipe (CGMP)  
81 feet of 12" Dia. Corrugated (Galvanized) Metal Pipe (CGMP)  
8 Catch Basins

#### Butterfly Avenue Storm Drain

720 feet of 15" Dia. Corrugated (Galvanized) Metal Pipe (CGMP)  
7 Catch Basins

#### Laverne Drive Storm Drain

530 feet of 18" Dia. Corrugated (Galvanized) Metal Pipe (CGMP)  
3 Catch Basins

#### Grove Street Road Reconstruction

1,000 cubic yards of fill were removed.  
1,000 cubic yards of gravel were placed.  
4 Catch Basins were installed.  
2 Manholes were rebuilt.

### SEWERS:

#### Sewer Main Projects

Rosemary Avenue - 1285 ft. of 8" dia. Vitrified Clay Pipe (VCP),  
7 manholes, frames and covers.  
Spruce Street - 135 ft. of 10" dia. Vitrified Clay Pipe (VCP),  
1 manhole, frame and cover.

Service Connections Installed	29
New manholes	12
Manholes Repaired	15
New Catch Basins	23
Catch Basins Repaired	12

### Winter Maintenance:

The winter of 1975 to 1976 had a total accumulation of approximately 71" of snow. A total of 2,940.25 tons of salt was used

costing \$51,630.79, as opposed to the previous year's amount of snowfall of 72" and the salt used on streets was 1,490.465 tons.

### Solid Waste Disposal

#### Haulers:

15 to 30 yard capacity	\$200 per year	8 vehicles
15 yard capacity	\$150 per year	5 vehicles
5 to 10 yard capacity	\$100 per year	5 vehicles
Up to 5 yard capacity	\$ 50 per year	7 vehicles

#### Capital Outlay:

1 Caterpillar 816 Compactor was purchased.

Charlie Bean retired on June 12, 1976 after 7 years of service with the Department of Public Works, Streets and Sewers Division.

## WATER WORKS DIVISION

**Water Resources:** Harry Jasmin, Water Resources Manager

#### Installations Inspected for Proper Sewage Disposal Facilities:

Motels	6
Restaurants and Diners	5
Ski Lodges	8
Condominiums and Apartments	3
Vacation Homes	35
Private Homes	165
Business Complex	3

225

Number of Inspections	442
Number of Violations	4
Number of Violations Corrected	4
Number of Water Samples	588

**Water Treatment:** Rolla Jasmin, Water Treatment Manager

During the 1975 to 1976 year, there were 58-150 lb. cylinders of chlorine used in the 12" line, 152-150 lb. cylinders of chlorine used in the 16" line, and 74-150 lb. cylinders of chlorine used at the Pre-Chlorination Plant for a total of 42,600 pounds of chlorine used costing \$7,686.52

There were 65 pounds of copper sulphate used in the treatment of the river banks.

The Reservoir's 20" extension was removed on October 8, 1975 and replaced on April 29, 1976. The Reservoir pond temperature was 69.8 degrees F in July and 35.6 degrees F in January.

Our new 15 kilowatt emergency generator at the Chlorine House has provided electricity several times during the 1975-1976 Fiscal Year to

allow the City of Rutland to carry on our treatment of water during power outages. A new brick facing was applied to our furnace and generator room. Also three water turbine pumps were replaced at the Chlorine House.

Two new automatic chlorinators were installed at the Pre-Chlorination Building to give the City of Rutland a better quality of water in its Reservoir.

**Water Distribution:** Bruce Matt, Water Distribution Manager

	1973-74	1974-75	1975-76
Main Extensions	2,766 ft.	0	2,731 ft.

Repair Mains	7	7	14
Repair Valves	1	1	20
Install Blow-Offs	1	3	0
Install Valves	10	9	12

## WATER POLLUTION CONTROL PLANT

I hereby submit the Annual Report of the Water Pollution Control Plant, Rutland, Vermont for the year ending June 30, 1976.

During the past year 2,087,591,000 gallons of sewage and storm water were treated at the plant. The increased volume processed was due to the excessive amount of precipitation experienced over the past year. A total of 119.25 cubic yards of grit was removed from the system including the usual large amount and assortment of debris associated with storm run-off.

The Flo-meter installation referred to in my previous reports was finally completed during the month of October. After several adjustments the device is operating properly.

We are honored to have such a large number of people who continue to tour our plant each year. We are particularly pleased that this includes many interested citizens in addition to the student groups from our local city schools.

During the past year two employees who have been with us since this operation began back in June of 1963 retired. Their experience and knowledge will be missed. However, I would like to take this opportunity to extend to Larry Gleason and Gordie St. Peter best wishes for a long, happy, well deserved retirement.

I would like to again personally thank all the employees at the plant

for their dedicated and faithful services, and look forward to their continued cooperation. I know that because of their efforts this plant continues to operate most efficiently.

P. J. BARONE Superintendent

### ADMINISTRATION

There were approximately 1,235 work orders issued during the 1975-76 Fiscal Year. Most of these orders resulted from citizens calling or visiting the office to request work to be done.

The administrative staff performed the payroll, accounting, and bookkeeping tasks required by the Department. The entire administrative staff did an excellent job in changing over to a computerized payroll system which reduced paper work and made record keeping more accurate. Special thanks to Mary Bostwick of the School Department for her expertise and kind assistance in this project.

### ENGINEERING

WARREN CONNER, P.E. Municipal Engineer

The Engineering Staff provides survey, design, and other engineering services for all divisions within the department and also for other departments within city government. Plans and survey layout were provided for the following major projects during the year: Upland Drive reconstruction and storm sewer, Mt. View Lane to Rosemary Avenue sanitary sewer, Butterfly Avenue reconstruction and storm sewer, Easterly Avenue storm sewer, Curtis Avenue reconstruction and storm sewer, Laverne Drive storm sewer, Spruce Street sanitary sewer, Grove Street reconstruction and storm sewer, Central Avenue and Gilrain Avenue new water main, Billings Avenue - Easterly Avenue - Piedmont Drive water main extension. Over one hundred manholes and sewer lines were located for the Extended Infiltration/Inflow Analysis of the city sewer system. Thirty-five building permits were reviewed in conjunction with the Building Inspector's office. All brooks and streams feeding the city's water supply were periodically patrolled by members of the staff.

City forestry work (including over 4,000 acres of city owned forest in the watershed) was capably handled during the year by Dave Richards.

#### Tree Program

	1972-73	1973-74	1974-75	1975-76

Trees Pruned .....	---	---	---	70

Alan Shelvey was promoted to Engineering Technician A, and along with his other duties, acts as Assistant Water Treatment Manager.

I would like to thank and commend all personnel in the Public Works Department. They have accomplished their assigned tasks in a dedicated and professional manner. They respond in snowstorms, floods, water main breaks and many other situations to provide the best possible services to the citizens of the community.

I would like to thank the Mayor, the Board of Aldermen, particularly Public Works Committee Chairman Ballard, and the other Department Heads who have aided me and the Department this year.

I believe the Department is constantly improving its methods of work and productivity. I hope to continue this progress in the year ahead.

PATRICK J. GARAHAN  
Commissioner of Public Works

**HOURS AT CITY LANDFILL**

Monday through Saturday—8:30 A.M. to 4:15 P.M.

NOTE: No entry after 4:15 P.M.

Stump Dump same hours as Landfill — Stump Dump is for materials originating in Rutland City only.

Holidays—8:30 A.M. to 12:00 Noon with the exception of Christmas, New Year's Day and Thanksgiving Day.

Closed all day Sundays, New Year's Day, Thanksgiving Day and Christmas Day.

Further information on the City Landfill operation is to be found in the Department of Public Works Annual Report.

## *Building Inspector*

August 3, 1976

To the Honorable City Council  
City of Rutland, Vt.

- 32 - Posted for violations
- 2 - Referred to Grand Juror for prosecution

**Building Permits**

- 234 - Original inspections

It was our distinct pleasure to have served as Assistant Building Inspector and Secretary under Jim Crandall, before his retirement of this year.

I wish to thank his Honor, the Mayor, the Honorable Board of Aldermen, the Board of Zoning Adjustment and all other City Departments for their cooperation and assistance.

Respectfully submitted,

LAURENT A. LA MONTAGNE  
Building Inspector

MARGARET S. CILLO  
Secretary

***Board of Zoning Adjustment***

Honorable Mayor Godnick,  
Honorable City Council  
City of Rutland, Vermont

Gentlemen and Mrs. Stearns:

I hereby submit my report on the activities of the Board of Zoning Adjustment for the year ending June 30, 1976.

Early in the year Mr. James Crandall was obliged to resign on account of ill health. Mr. Larry LaMontagne, Building Inspector, a very capable operator, was assigned to his place.

Our business was about as usual. We had many more calls for all kinds of home industries, beauty shops, barber shops, bake shops, all kinds of home made food, etc.

Several requests for alterations on large home to have small apartments and others for commercial and professional offices. There was also new buildings as well.

We also had requests for many mobile homes and several were granted.

In closing we wish to thank His Honor Mayor Godnick, the members of the City Council, the City Attorney and the Zoning Administrator for their assistance and cooperation at all times.

Respectfully submitted,

MARY V. QUIGLEY  
Board of Zoning Adjustment

## *Constable and Tax Collector*

To the Honorable City Council:

Gentlemen:

I hereby submit my report as City Constable and Tax Collector for the period from July 1, 1975 to June 30, 1976.

Delinquent poll taxes, real estate, and personal property taxes collected amounted to \$145,354.31. Delinquent water rents and sewage disposal bills were collected in the amount of \$25,096.85. Delinquent general bills were also collected in the amount of \$2,147.19, for a total of \$172,598.35.

To His Honor, the Mayor, the City Council, the City Attorney, City Officials and employees my sincere thanks for their assistance and cooperation.

Respectfully submitted,

L. BERNARD WATERMAN  
Constable and Tax Collector

## *Police Protection*

To the Honorable City Council  
City of Rutland, Vermont

Gentlemen and Mrs. Stearns:

I respectfully submit the annual report of the Police Department for the fiscal year ending June 30, 1976.

The police management study has been completed and nearly all its recommendations were adopted. We are now in the process of implementing those recommendations. First priority has been complete renovation of the records system which is critical and must be accomplished before many of the other phases can be done.

Completion of these changes together with the nearly completed renovations of the department facilities will do much to improve the departments efficiency and the morale of its personnel.

Training for department members has been in the form of in-service training for all members in some special areas at the Vermont Police Academy in Pittsford. Many other special courses to meet the needs and assignments of various officers were attended by individuals as required.

I would like to express the appreciation of the entire department to all other law enforcement agencies, the press, radio and television people, who have assisted and worked along with us.

I extend my thanks to his Honor, Mayor Godnick, the Honorable Board of Aldermen and City Officials who have helped in any way during the year.

A special thanks and appreciation to Mayor Godnick and the Board of Aldermen for recognizing the need for the management study, their hard work and their support in this effort.

Respectfully submitted,

STUART D. JENNE  
Chief of Police

## *City Clerk*

To the Honorable City Council, Rutland City, Vermont  
Mayor Godnick, Gentlemen and Mrs. Stearns:

Submitted herewith as required by Vermont Statutes Annotated, The Rutland City Charter, and Ordinances of the City of Rutland is the report of activities of this office for the period 1 July 1975 to 30 June 1976.

This has been an extremely busy year as relates to requested public information both in person and by letter and phone. These requests are far reaching from the boy in Tennessee seeking information to requests for certificates of birth, death and marriage, copies of many documents of importance and general information.

Our Food Stamp Program continues to plague us in that with its increase all personnel in the office spend time in the administration of it. We do however have some ideas which we will be discussing in the upcoming new fiscal year which may lighten the load at least. We plan to discuss this in the immediate future with State of Vermont officials hopefully to an end result of at least cutting down. Please keep in mind that while the food stamp program is necessary in a city the size of Rutland we still do not break even in the operation of it. Rutland Opportunity Council and the Rescue Mission now dispense Food Stamps but have not measureably reduced the problem.

Dog licenses were up this year. Hunting and Fishing licenses held about the same. It is rather disheartening to have the State of Vermont increase license fees for Fish and Game and leave the towns with the usual small pittance for doing most of the work.

As clerk of the Board of Aldermen and various other boards I would report that the work load of the board continues to increase with again many committee meetings in both the chamber and the conference room of this office. The members have voiced their concern again at their statutory obligation to, in their capacity as members of the Board of Civil Authority, inspect property appeals from decisions of the Board

of Assessors. This of course would take legislative action by the General Assembly.

This office appreciates the cooperation of all other departments including the school department. Our sincere thanks to Mayor Godnick and the Board of Aldermen for their understanding of our office.

My appreciation to all employees in our office.

Respectfully submitted,

JOHN W. BARRETT  
City Clerk and Purchasing Agent

**OFFICE OF THE CITY CLERK  
REPORT OF VITAL STATISTICS  
For the Calendar Year 1975**

To the Honorable City Council:

The record of births, marriages and deaths filed in this office during the year 1974 was as follows:

Total number of births registered in 1974 ..... 722

Total number of deaths registered in 1974 ..... 487

Total number of marriages registered in 1974 ..... 234

(See statistics below for vital statistics comparison.) (Due to the fact that vital statistics records are reported to the State for calendar years, we are unable to report for the fiscal year covered by this report.)

**Births Registered in Rutland — Years 1964 to 1975, Inclusive**

Year	Total No. Registered	Residents other than Rutland	Rutland Residents only

## City Grand Juror

September 3, 1976

Honorable City Council  
City Hall  
Rutland, Vermont 05701

To the Honorable City Council and Citizens of the City of Rutland:

I am honored to present the annual report of the Grand Juror's office for the fiscal year ending June 30, 1976.

The past year has seen, as in other years, a steady increase in the case load handled through this office. There have been an ever increasing number of leash law violations being brought to Court, as well as a large number of unregistered dog cases being brought to this office during the month of June.

The end of the year also saw a marked increase in prosecutions for violations of the speed limit in the City of Rutland, brought about by the purchase by the Police Department of Radar Units which are available at all times in all of the cruisers which are being used. This is an attempt to bring speeders under control in residential districts in the City, where radar can effectively clock a speed where the officer would not normally been able to get a proper speed check by following the automobile. In this way it is hoped that more safety will be available in our residential districts through the control of speed. These violations are brought, as are most of the motor vehicle violations, under City Ordinances so that the fine monies paid on this will be returned to the City in help defray the cost of my office as well as the costs of the radar units.

The increase case load now being handled by this office has meant that a much larger period of time is being spent working for the City of Rutland both by myself and my staff. This work load has been eased to a certain degree by the usual good cooperation with the City Police and other departments of the City of Rutland.

Respectfully submitted,

HENRY C. BRISLIN  
City Grand Juror

August 11, 1976

## Assessors' Office

To the Honorable City Council and  
the Citizens of Rutland, Vermont

I respectfully submit the Annual Report of the Assessors Office for the fiscal year ending June 30, 1976.

In spite of the fact that the City of Rutland lost several hundred thousands of dollars of assessed valuation in Personal Property, due to the removal of merchandise and machinery, fixtures, etc., owned by several department stores and one large industry, from Rutland, coupled with the slow-down in the construction of new homes and buildings, we are happy to have had only a very slight increase in our tax rate for 1976-1977 fiscal year.

We are presently on our second year of the re-appraisal project, inspecting properties throughout the city.

I wish to extend thanks to Mayor Godnick, the City Clerk's and City Treasurer's offices, members of the Board of Aldermen, and also to the School Department for their excellent cooperation with this office, and to the Building Inspectors office.

I also wish to thank my fellow assessors, Mr. Charles Franzoni and Mr. Earl Turner for their splendid cooperation.

Respectfully submitted,

ROBERT W. FOX, SR., Chairman  
Board of Assessors

## *Rutland Free Library*

### **REPORT OF THE LIBRARIAN**

**For the Year Ending June 30, 1976**

To the Honorable City Council and Citizens of Rutland:

It is a pleasure to present my thirteenth annual report as the Director of the Rutland Free Library.

Use continued at a very high level, with the library responding to the heavy demand with an augmented collection of materials and increased programs for adults and children. Again, the Gustav H. Grimm and Family Fund has made it possible to strengthen the library's offerings, both in printed and audiovisual materials and in a wide range of programs and activities for persons of all ages.

#### **Vermont Room Collection**

A Bicentennial calls special attention to our heritage and to the materials written about it. The building and strengthening of the Vermont Room Collection has been a continuing process which has taken place over many years, and the Rutland Free Library may be the library with the third strongest collection of Vermont History in the state, after UVM and the Vermont Historical Society. However, additional emphasis was placed this year upon the accessioning of Vermont historical works. Several of the Vermont Room's inveterate users volunteered their assistance in seeking out, from various sources, reference titles whose purchase would enrich the Room's holdings further and increase its usefulness for researchers.

Intensive weeding was continued this year, with fresher collections resulting, more space being provided, and the opportunity being given to improve shelving arrangements through shifting. In library practice it is of prime importance to keep a collection up-to-date through subtracting little used and outdated material concurrently with the addition of new and significant material.

#### **Nella M. Grimm Fox Memorial Room**

In addition to funding all of the library's book, periodical, and audiovisual purchases, the Grimm Fund finances the year round programming in the recently renovated Fox Room. A court ruling,

further, has permitted Grimm monies to be used as the matching funds with the Revenue Sharing allotment for the Fox Room modernization. This has freed the library's other trust funds for use elsewhere.

An office was developed for the Fox Room Program Director on the second floor, with Grimm Funds being utilized here, as well, for carpeting, drapes, and a typewriter. Mrs. Patricia L. Bates succeeded Mrs. Jean B. Swain as Program Director in March.

Illustrating the variety of offerings made available to area residents were the Marlboro Theatre Company's presentation of "The Davy Crockett Story," which drew a capacity audience; an all day meeting of the Vermont Academy of Arts and Sciences; a number of programs relating to Vermont History and the Bicentennial; harpist Corkey Christman; Eva Mombelli on astrology and numerology; focus placed on subjects such as plants in the home, quilting, dried flowers and photographic styling; poetic theatre; an open poetry reading; the Green Mountain Guild's "Fable Factory;" Dan Westermeyer on clavichord and clavinet; the Duxbury Town Meeting and Last Stand Farmer films, both made under the auspices of the Vermont Council on the Humanities and Public Issues; a violin and piano concert; a dance workshop; a panel discussion on death and dying; and the presentation of the Dorothy Canfield Fisher Children's Book Award to winning author Jean Merrill of Randolph.

#### **Building and Furnishing Projects**

Painting and varnishing of the Vermont Room and the Vermont Annex Room soon were followed by the addition of new drapes and storm windows in those two rooms and in the two second floor windows at the heads, respectively, of the north and of the south stairways to the Fox Room. A repainting of the floors of several basement rooms was the final step in a renewal project necessitated by severe flooding and accompanying contamination from an extremely heavy summer rainstorm.

In preparation for future book sales, and also to make provision for constantly accumulating gifts and discards, much of the old cast iron and wooden shelving remaining in the second and third floor storage areas of the main building was dismantled and then moved and reassembled in the north basement of the library addition. A set of small individual lockers for library personnel was placed near the basement staff room.

#### **Building Security Projects**

Several projects increased security or improved safety within the building. Following visits to a number of area college and public libraries which had experience with this, an exit control system with alarms over each of three emergency exit doors was installed. Nine new electric exit signs were added to three others which recently had been installed on the two main floors, and were connected to the emergency lighting system.

A burglar alarm system with its own power unit, which is connected

with the Rutland Police Station, became a part of the library's security system in April. It was tested within a month of its installation when an early morning burglary was thwarted and an intruder was apprehended inside the building by police responding to the alarm. The burglar alarm system also makes the library eligible for theft insurance coverage. The Fox Estate rugs and furniture were appraised, and each item photographed, with insurance coverage then placed on them.

### Exhibits

Among the many displays housed this year in the double-faced, lighted exhibit case were those of portrait dolls, ceramics, pictures of Old Rutland, RSVP craftwork, and photographic portraits of latter-day Vermonters. A satellite photo of an area extending from New York's Capital District northeastward, including the Rutland area, to the Lakes Region of New Hampshire was the object of close scrutiny by many of the library's users. A larger exhibit of Bicentennial posters also was displayed in the Lawrence Reading Room during the winter.

Programs for children included weekly story hours for preschoolers and film programs during the winter months, and movie programs plus two separate reading programs this summer. The latter consist of a reading contest for grades one and two, and a reading club for grades three through six in which weekly reports on specified topics are made.

### National Library Week

Marking the opening of National Library Week in April was a Sunday afternoon concert by the Coarse Arts Quartet, with an Open House following. Library fines were forgiven during the week, and a selection of old books were offered for sale from a book truck in the reference room. A talk on publishing and writing was given by a husband and wife team, the Montgomeries, and several exhibits, along with Library Week posters, bookmarks, and mobile, called attention to the occasion.

Young Rutland students typically have had two or more school classroom tours of the library by the time they have reached junior high age, and thus are more likely to identify with it as their library as they get older. Groups from outside Rutland also come to the library on occasion for orientation or for study projects. This year the library science classes from Castleton College made fall and spring visits to the Rutland Library.

### Library Survey

Dr. Harold Lancour of Weston, retired Dean of the University of Pittsburg Graduate Library School and library consultant, surveyed the Rutland Free Library, paying attention to present standards, function, fullest utilization, reference materials, adequacy for college students, space, staff function, and weaknesses and strengths. Interviews, questionnaires, and checklists against library holdings were some of the instruments employed by Dr. Lancour, whose report is forthcoming as this is written.

### RSVP Projects

Several members of the Retired Senior Volunteers Program participated in the library's weekly book deliveries to Senior Citizens and in mending books, assisting Mrs. Lyon in some of the phases of the latter. The work of R.S.V.P. member Mrs. Helen Hurley in the former area includes the selection and delivery of new collections in exchange for older ones, under the supervision of Miss Chatfield. The Library is pleased to have the opportunity to be working with RSVP with the mutual advantages which this offers.

A staff change occurred with the resignation of Mrs. Dorrit Stopek, who moved from the area and was replaced in the Adult Department by Mrs. Helen B. Field. Again this year the library was able to funnel selected paperback gifts on to area institutions for the use of their residents. Remainder items from a previous book sale also were donated to non-profit organizations having sales of their own. Perhaps of greatest importance in this regard is the fact that these channels are additional ways of getting books into the hands of readers who will find them meaningful.

Members of the Library Staff attended district and state meetings of the Vermont Library Association, and sessions of the New England Library Association, and served on committees of these organizations. The Director attended a seminar on Learner's Advisory Service at Nashua, N.H. The Children's Librarian, Miss Chatfield, participated in the sound filming of a children's story hour, done by a class of UVM students.

### Board of Trustees

Charles W. Conner was President of the Library Board of Trustees during this year. Other officers were Mrs. James F. Chase, First Vice President; Mrs. John D. Moore, Second Vice President; Mrs. Donald R. McIntyre, Secretary; and Richard L. Noel, Treasurer.

Chairman of their respective board committees were Mrs. Moore, Evaluation Committee and Personnel Committee; Mr. Noel, Finance Committee; Mrs. Chase, Fox Room Committee; Mrs. Robert E. Bossardt, House Committee; and Mrs. Merritt Thomas, Nominating Committee. Other board members, each of whom served on one or more of the committees, were Walter M. Moore, Richard F. Sullivan, Mrs. Verne J. Goodwin, Howard S. Rosen, Robert W. Beauchamp, Joseph V. Teta, and Mrs. C. Getty Page.

I would like to express my appreciation for the cooperation and assistance received from the other library staff members, trustees, city officials, and other persons during the year of more growth and expansion. We look forward to a year in which a public who have demonstrated their consciousness of the library will further avail themselves of its materials, services, and programs, and we welcome enthusiastically the opportunity to participate in this.

Respectfully submitted,

CHARLES D. MAURER, JR.

Director of the Rutland Free Library

## *Rutland Mental Health Service, Inc.*

### ANNUAL REPORT FOR RUTLAND CITY

1975 - 1976

To the Honorable Mayor Godnick, City Council and  
Citizens of Rutland, Vermont

Each year, we need to review our past experiences and performance to clarify our perspective on the future and make plans for the coming year.

The following program changes affected your community:

1. The Developmental Disabilities program, which strives to enable disabled people to achieve their potential and to help them make their lives more meaningful, has seen an increase in the number of persons served in the work activities program, expansion of the recreational and social clubs to include school age children and hiring of a vocational rehabilitation counselor.
2. The Hospital Related Services program in cooperation with the Rutland Hospital, coordinated the opening of The Human Service Unit, which provides inpatient hospitalization in The Rutland Hospital for short-term psychiatric care.
3. The Outpatient program continued to provide assistance to individuals and families trying to cope with their problems and build more satisfying lives. The use of more group therapy and expanded work with children is planned for the coming year.
4. The Consultation and Education program developed a more intensive relationship with early childhood programs and increased community education services for the general public. A new slide show explaining the services of Rutland Mental Health is completed for use with interested groups.

As of June 30, 1976, 431 active cases are open for residents of the City of Rutland. This represents 43% of our active caseload at this time.

Rutland Mental Health Service deeply appreciates the continual support from the residents of the City of Rutland to provide quality service and maintain fiscal accountability.

Respectfully submitted,

GILBERT D. ALIBER  
Executive Director

## *City Attorney*

To the Honorable City Council  
City of Rutland

Gentlemen and Mrs. Stearns:

I respectfully submit the Annual Report of the City Attorney for the fiscal year 1975-1976.

This past year has involved a great deal of work with the various Aldermanic Committees, particularly with reference to revision of some of our ordinances. The proposed Zoning Amendment was finally adopted by the Board, but rejected by the voters. I understand that this is now with the Planning Commission and will shortly be submitted again to the City fathers for their consideration. Generally, the City Attorney's office has been involved in the following areas:

### **Litigation:**

Cases have been litigated in the Federal, State, and District Court within the past year. Various claims against the City of Rutland, including **Gilbert vs. the City of Rutland**, involving the Board of Aldermen as control commissioners; cases involving the Vocational School and other suits involving the School Department have been dismissed. This office is also involved in various environmental hearings, and is presently working with the City Engineer's office on matters involving our watershed. In addition to actual representation in Court, we continue to work with various City officers in many claims and in administrative proceedings involving various City departments.

### **Opinions:**

This office has continued to furnish written opinions to various City departments, as well as maintain the daily contact with our department heads involving City business and legal problems. We continue to work closely with the City Grand Juror and other attorneys who appear before the City Council in an attempt to amicably dispose of many legal matters.

It seems that each year our work load increases, but the report to the City Council is shorter. I trust most of you are aware of this fact

from our work together, but this report is rendered under instructions from the Mayor to keep the keep-it-brief because of budget restrictions!

I would like to thank the Board of Aldermen and all department heads for their help and assistance during the past year.

Respectfully submitted this 4th day of August, 1976.

RICHARD WALSH NORTON  
City Attorney

## *Rutland County Humane Society, Inc.*

August 13, 1976

To the Honorable City Council,  
City of Rutland, Vermont

Gentlemen:

During the fiscal year 1975-76, the Rutland County Humane Society cared for about 3250 animals at our Shelter, an increase of 200 over the previous year. About 40 % of these came from Rutland City.

Our operating expenses for the year were \$20,008.27. This figure does not include the cost of building a new stable adjacent to the shelter. Our average cost per animal is now over \$6.00. We received \$3,000.00 from the City, the balance coming from Towns in the County, membership dues, donations and fund-raising activities.

We have increased the hours when the shelter is open to the public. They now are: Saturday, 9-1; Sunday, 1-5; other days, 10-5. We continue to provide shelter and food for the dogs brought in by the City Dog Officer. We welcome visits from groups and individuals, and try to impress on everyone the need for animal neutering and control as means of fighting the pet population explosion.

Our Humane Agent, Edward Wheeler, answered many calls in the City, working with the Police Department when called on.

We appreciate the cooperation we receive from the members of the Board of Aldermen and the Police, Fire and Recreation Departments.

Respectfully submitted,

ELLEN H. PORTER  
Treasurer

**RUTLAND AREA VISITING NURSE ASSOCIATION, INC.**

15 East Washington Street, P.O. Box 454  
Rutland, Vermont 05701

To: The Honorable City Council and The Citizens of Rutland

It is my pleasure to submit to you the Annual Report of the Rutland Area Visiting Nurse Association for year ending June 30, 1976.

Our health programs continue to provide many needed services to your community. The Skilled Nursing, Homemaker-Home Health Aide, Physical Therapy, Speech Therapy, and Occupational Therapy Services have increased.

Total direct service into the home provided for the year are as follows:

Skilled Nursing Visits .....	5333
Homemaker-Home Health Aide Visits .....	2667
Physical Therapy Visits .....	763
Speech Therapy Visits .....	43
Occupational Therapy Visits .....	107

The Agency continues to work closely with other community resources to coordinate and provide the best possible health care.

Pre-Natal classes continue to grow giving expectant parents the basics of child birth.

Over the past year we have worked closely with the Office On Aging hoping to make as many services available to the Senior Citizens as possible. The Preventive Clinics are available and provide service to about 75 Senior Citizens in the city. These are expected to increase.

We continue to provide staff for the Community Child Care Clinics and Handicapped Clinic.

We want you to know we are here for your community hoping we can service your needs. Please feel free to contact me if you have concerns of health needs not being met.

Our cost has continued about the same. The Visiting Nurse Association is striving to provide quality care and programs to your citizens and maintain a stable cost.

Your continued support is needed for our agency to offer a complete home nursing program as summarized in my report.

I would like to thank the Mayor and all of the other people who have helped our agency for the past year.

Respectfully submitted,

EVELYN MORGAN  
Director

RUTLAND AREA ART ASSOCIATION, INC.

August 24, 1976

Report to City Officials and  
Board of Aldermen

Our season is progressing satisfactorily; attendance has been good. The August "Art in the Park", in conjunction with the Parks and Recreation Department, was a success; another such event is planned in October during the Heritage Festival.

This year our function is to feature pledges for the purchase of the building. In this, we need the support of everyone. Some changes have been made due to building and fire regulations, such as, emergency lighting, exit signs and boxing in the furnace. More changes, a smoke detection system, and other needed repairs will be made on the building when possible.

We have a minimum staff of two part-time secretaries, a part-time curator, a part-time business manager. With the needed help of trustees and volunteers, we continue our pattern similar to past years. This fall, the plans are to extend the season into December with additional public activities.

We wish to express our appreciation for the past and present support from the City Officials. May I emphasize that the small grant, plus the tax-free status is the very vital basis from which we operate this cultural center. The head of the Recreation Department, John Cioffredi's continued interest in the gallery has been and is most helpful.

EDITH H. SMITH  
President of the Trustees

## MAYORS OF THE CITY OF RUTLAND

John A. Mead .....	1893
Levi G. Kingsley .....	1894
John A. Sheldon .....	1895
Thomas H. Browne .....	1896

## Library Treasurer

Hon. Gilbert G. Godnick

Mayor of Rutland

Rutland, Vermont 05701

Dear Mayor Godnick:

I am happy to enclose the Financial Report of the Rutland Free Library Association, Inc. covering the period from July 1, 1975 to June 30, 1976.

On behalf of the Trustees may I take this opportunity to express to you and to the members of the Library Committee, as well as the Board of Aldermen as a whole, our sincere appreciation for your cooperation and support in helping our Library Association give increasing service to the people of Rutland.

Sincerely,

RICHARD L. NOEL, Treasurer

Rutland Free Library Association, Inc.

Juvenile Cassettes .....	109
Juvenile Book Recordings .....	333
Adult Sound Film Strips .....	9
Juvenile Sound Film Strips .....	345
Juvenile Film Strips .....	63
Adult Film Loops .....	33

*City Treasurer*

To the Honorable City Council  
Rutland, Vermont

Gentlemen:

I present herewith the 1976 annual financial report setting forth the financial position of the City of Rutland at the close of the fiscal year ended June 30, 1976.

All debt requirements of the City were met promptly during the year. Serial bonds totaling \$250,000.00 were retired. Payments of \$12,106.68 were also made on the direct reduction loans of the Parking Meter Fund. Combined interest payments on the bonded debt amounted to \$100,618.00 of which interest amounting to \$50,169.00 was paid on outstanding School Construction Bonds.

**GENERAL FUND:** This fund is financed by revenues from general property and poll taxes, licenses, permits, fines, revenues from other agencies, charges for current services and other miscellaneous revenues.

During the fiscal year ended June 30, 1976, revenues actually received were \$24,528.13 greater than budget estimates, and expenditures were \$93,440.10 less than budgeted appropriations.

**SCHOOL FUND:** During the fiscal year ended June 30, 1976, revenues actually received exceeded budget estimates in the amount of \$470,451.98 and expenditures were \$100,761.97 greater than budget appropriations. As at June 30, there was a surplus in the amount of \$348,014.32.

**REVENUE SHARING:** During fiscal 1976, the City received \$782,414.00 in Revenue Sharing Funds, and interest earned amounted to \$43,548.71.

The combined balance sheet presented as Exhibit A is intended to present an overall view of the financial position of the City as at June 30, 1976.

Summary statement of cash receipts and disbursements presented as Schedule I, summarizes the activity of the various funds during the fiscal year ended June 30, 1976.

Respectfully submitted,

W. J. SIMONDS  
City Treasurer

## Auditors' Report

To the Honorable City Council  
City of Rutland, Vermont

Gentlemen:

Your Auditors have made an examination of the Accounts and Financial Records of the Treasurer and other offices of the City of Rutland, Vermont for the period July 1st, 1975 to June 30, 1976.

This examination was made in accordance with generally accepted auditing standards and accordingly includes such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion the financial records of the Treasurer fairly reflect the financial condition of the City of Rutland, Vermont as of June 30, 1976 and the result of operation for the fiscal year.

Respectfully submitted,

R. NEWTON OWENS

JAMES L. RALEIGH

ROBERT E. MARTEL

Auditors

## Dogs and Other Animals

### EXCERPTS FROM OUR DOG ORDINANCE RUTLAND CITY

#### § 2551. Disturbance of quietude as public nuisance

It shall be unlawful for any dog owner or keeper to permit or allow his or her dog or dogs to habitually howl, bark, or in any other manner disturb the peace and quietude of the community. Such conduct is hereby declared to be a public nuisance.

#### § 2552. Confinement

(a) The owner or keeper shall confine within a building or secure enclosure every dog, and not take or allow such dog out of such building or secure enclosure unless such dog is on leash or under control of some person, or securely attached to an exercise wire.

#### § 2553. Impoundment; notice thereof

Dogs found running at large may be taken up by a police officer or duly authorized agent and impounded.

#### § 2555. Penalties

Any person who violates any provision of this chapter shall be fined not less than \$10 for the first offense, not less than \$15 for the second offense, and for the third or any subsequent offense shall be fined not less than \$20 or imprisoned for ten days.

### "IT'S THE LAW"

No person owning, operating or controlling a motor vehicle shall park, or cause to be parked said motor vehicle on any street or highway within the central business district of the City of Rutland from 3:00 A.M. to 6:00 A.M. inclusive.

### "IT'S THE LAW"

You cannot plough your driveway snow out into a city street.

### "IT'S THE LAW"

You cannot use your power mower OR snow blower in such a manner that they blow grass or snow into the streets.  
Anything you can do to help keep this city clean will be appreciated!

## **SOME GENERAL INFORMATION ABOUT OUR CITY FOR NEWCOMERS AND VISITORS**

The Police Department is comprised of 44 members, a chief a captain, a lieutenant, 3 sergeants, 3 detectives, 24 patrolmen, 4 dispatchers, a administrative asst., records clerk, 2 meter maids, 1 animal control officer, 2 traffic clerks. The Police Department has 5 pieces of major equipment all with two way radio.
